EFTA SURVEILLANCE
AUTHORITY

Icelandic Mission to the EU
Rond-Point Schuman 11
1040 Brussels

Dear Sirs,

Subject: Internal Market cases relating to the Icelandic banking crisis

In October 2008 the EFTA Surveillance Authority opened an own-initiative case for the purpose of assessing the measures taken by Iceland in response to the banking crisis. In addition, the Authority has received several complaints on the matter.

The Authority is currently assessing the following cases relating to the Internal Market:

Case No:	Name/issue	Case opened
65560	The Authority's own-initiative case	7 October 2008
65594	Complaint from the UK regarding depositors	29 October 2008
65843	Complaint from general creditors	6 January 2009
66740	Complaint from general creditors rep. by Norton Rose	18 June 2009
66793	Complaint from a general creditor	25 June 2009
66794	Complaint from a general creditor	25 June 2009
66795	Complaint from a general creditor	25 June 2009
66796	Complaint from a general creditor	25 June 2009
66797	Complaint from a general creditor	25 June 2009
66935	Complaint from general creditors	3 August 2009
67138	Complaint from Dutch depositors regarding Landsbanki	24 September 2009
67288	Complaint from depositors of Landsbanki Guernsey subsidiary	20 November 2009

The Authority has presented the general creditors in case 66740 with its preliminary view on the complaints as regards issues relating to the Internal Market. For your information, please find enclosed a copy of the Authority's letter of 4 December 2009 to Norton Rose, in which the complainants are invited to comment on the preliminary findings of the Authority by 15 January 2010.

Yours faithfully,

Hallgrímur Asgeirsson
Director
Internal Market Affairs Directorate
